

Alltech® young scientist

ABOUT THE PROGRAM

The Alltech Young Scientist (AYS) program features the world's largest agriscience competition. Students are encouraged to join Alltech in pursuit of solutions in animal health and nutrition, crop science, agriculture analytical methods, food chain safety and traceability, human health and nutrition and other agriscience-related sectors, while also gaining valuable experience with the company's global team. The regional winners will experience a once-in-a-lifetime opportunity for an all-expense-paid Alltech Young Scientist Discovery Week during ONE: The Alltech Ideas Conference in Kentucky, USA.
