UNIVERSITÀ DEGLI STUDI DI TORINO

CALL FOR APPLICATION

13 SCHOLARSHIPS RESERVED TO INTERNATIONAL STUDENTS ENROLLING IN MASTER'S DEGREE PROGRAMMES A.Y. 2021-2022

**Deadline for application: WEDNESDAY 2021 April 28th –
at 11 a.m. Italian time (GMT +1)**

ART. 1 – Aim of the call

Art. 1.1 - Subject, amount and duration

The University of Turin funds **13 two-year scholarships** in order to support deserving students. Scholarships are awarded to **international students** enrolling for a.y. 2021-2022 in the first year of a postgraduate degree program offered by the University of Turin.

To be considered an **international student** eligible to apply for this call, you must:

- hold a valid qualification providing access to a postgraduate degree program obtained outside the Italian education system;
- NOT have Italian citizenship;
- NOT reside in Italy.

Scholarship value: gross amount of **9,000 euros per year**, including costs borne by the beneficiary.

Art. 1.2 – Assignment of the scholarships

The 13 two-year scholarships will be assigned according to the following categories:

- 3 scholarships reserved for international students with Japanese citizenship
- 4 scholarships reserved for international students from the following countries: Algeria, Cameroon, Gabon, Madagascar, Mali, Morocco, Republic of Congo, Rwanda, Senegal, Tunisia, Union of the Comoros
- 2 scholarships reserved for international students with Mexican citizenship
- 4 scholarships reserved for international students with any other citizenship different from those listed above.

In the event that scholarships listed in sections a, b, c are not awarded, they will be assigned in addition to those reserved for international students mentioned in section d.

Art. 1.3 – Possible additional scholarships

In the event of more funds available, the number of scholarships may increase proportionally to the budget. In that case, the allocation of the additional scholarships will be evenly distributed among the categories specified in the art. 1.2, according to the following order of priority: a, b, c, d.

UNIVERSITÀ DEGLI STUDI DI TORINO

ART. 2 – Incompatibility

Such scholarships cannot be cumulated with study grants issued under international programmes (e.g. Erasmus Mundus Joint Master Degree of the Erasmus Plus programme), study grants issued by the Italian Foreign Affairs and International Cooperation Ministry (MAECI) and study grants issued by EDISU Piemonte, Regional Agency for the Right to Education of Piedmont.

ART. 3 - Admission requirements

To submit your application, under penalty of exclusion from the selection, you need to meet the following requirements:

- Holding a qualification obtained in an institution outside the Italian system, valid to access the chosen Postgraduate Degree program, or obtaining it within the deadline established in this call for application in the University of Turin;
- Meeting the necessary requirements to access the chosen degree program at the time of enrollment in such degree program (check the admission requirements for the degree program of your interest on apply.unito.it);
- **Having sent the application for the degree program(s) of your interest through the Apply@Unito platform within April 28th, 2021;**
- Having linguistic proficiency in Italian (for degree programs taught in Italian) or in English (for degree programs taught in English), equal to at least a B2 level of the Common European Framework of Reference for Languages;
- Not having been previously enrolled in a undergraduate, postgraduate or 5-6 years postgraduate degree program at the University of Turin;
- Not being older than 29 on the deadline date of the call for application; NOT being an Italian citizen and NOT being resident in Italy.

NOT ELIGIBLE APPLICANTS:

- Students enrolling in any **academic year beyond the first**
- Students **changing** from their first **program** to another within those offered by the University of Turin
- Students **transferring** from another university
- Students **applying for academic recognition of credits.**

PLEASE NOTE: in order to be admitted and enrol in the chosen programme, non-EU students residing abroad must respect VISA procedures and deadlines concerning the access of foreign students to Italian university courses set in the Regulations issued by the competent Italian Ministry.

UNIVERSITÀ DEGLI STUDI DI TORINO

ART. 4 – Applications

Applications shall be submitted **within Wednesday 2021 April 28th (1 pm Italian time)**, exclusively through the online procedure. Anyone wishing to submit an application shall:

Sign in to:

apply.unito.it

Select the program/s you are interested in and **submit your application on Apply@Unito**

Use the applicant code you received while registering to Apply@Unito, in order to fill in the **scholarship form**, available on 'Call for 13 two-year scholarships - a.y. 2021-2022 - at the following link <https://en.unito.it/studying-unito/scholarships-international-students>

Applications received after the deadline or applications received through other means or incomplete of all required documents will not be eligible.

Students who did not complete/submit the application form on apply.unito.it cannot apply for the scholarship.

When submitting the application for this call for application, candidates must provide, under penalty of inadmissibility:

- 1) certification of linguistic proficiency equal to at least a B2 level of the Common European Framework of Reference for Languages, as specified below:
 - IN THE CASE OF APPLICATIONS FOR POSTGRADUATE DEGREE PROGRAMS TAUGHT IN ENGLISH, it is possible to certify linguistic proficiency in one of the following ways:
 - a. Attaching to the application an English language certification included among the following ones: BEC Vantage, FCE Grade B and C, IELTS 5.5-6.5, TOEFL iBT 87-109, Trinity College ISE II;
 - b. Attaching to the application a declaration issued (in English) by the upper secondary school and/or by the academic institution confirming that the studies were carried out entirely in English. In this case, for the purposes of this call for application, the candidate will be considered "mother tongue".
 - IN THE CASE OF APPLICATIONS FOR POSTGRADUATE DEGREE PROGRAMS TAUGHT IN ITALIAN, it is possible to certify the linguistic proficiency attaching to the application an Italian language certification equal to at least a B2 level of the Council of Europe, awarded as follows
 - a. issued in the framework of the CLIQ (Italian Quality Language Certification) quality system. This system unites in one association the current certification bodies (University for Foreigners of Perugia, University for Foreigners of Siena, Rome Tre University and the Dante Alighieri Society)

UNIVERSITÀ DEGLI STUDI DI TORINO

- b. issued by the University for Foreigners "Dante Alighieri" of Reggio Calabria, as well as in convention with Italian Institutes of Culture abroad or other institutions.

These certifications may be gained in the country of origin, in the approved exam centres found all over the world.

- 2) names (minimum 2 - maximum 3) of Professors from the foreign University of origin, who can be contacted by the University of Turin to request reference letters
- 3) copy of the foreign academic qualification (e.g. bachelor's degree) and related study plan (transcript of records)
- 4) Curriculum Vitae
- 5) Motivation Letter

Applications received after the deadline will not be considered, nor applications received by other means (via fax, e-mail, or in paper format) or not complete with all the required documentation.

Finally, it should be noted that students who do not complete the application for the degree program of interest on <https://apply.unito.it/> will not be able to apply for the scholarship in question.

ART. 5 – Awarding criteria and drawing up of ranking list

The applications selection will be based on the assessment of the qualifications and of the interview.

Applications will be evaluated with the allocation of the following points, on a basis of 100:

- additional **linguistic certification** provided by the candidate during the application process: **maximum 10 points**;
- two reference letters received by the Professors of the University of origin of the candidate following an explicit request by the University of Turin: **maximum 50 points**. In case of receipt of more than two reference letters, the two letters that allow the attribution of the highest score will be taken into consideration;
- motivational **interview**: **maximum 40 points**

The qualifications evaluation will have a maximum score of **60/100** and will be based on the following elements:

- linguistic proficiency of the candidate
- reference letters by Professors of the University of origin of the candidate

The allocation of points for linguistic proficiency will take place only in the case of linguistic certification proving a level of knowledge of the language above B2 level and will be graded as follows:

- 8 points in case of proficiency equal to C1 level
- 10 points in case of proficiency equal to C2 level or for candidates considered "mother tongue" for the purposes of this call for application.

UNIVERSITÀ DEGLI STUDI DI TORINO

Only those candidates whose qualifications have been assessed with a score of at least 30/60 will be admitted to the interview.

In order to pass the interview it is necessary to achieve a score of at least **20/40**.

At the end of the interviews, four different ranking lists will be drawn up and will take into account the citizenship of the candidates in accordance with the criteria specified in art. 1 of this call for application. Candidates will be placed in the ranking list corresponding to their citizenship following a descending order of scores. The awarding of scholarships for each ranking list will take place on the basis of the overall score (qualifications + interview) obtained by the candidates.

With the same overall score, the scholarship will be awarded to the youngest candidate.

ART. 6 - Publication of ranking lists

The four different ranking lists will be published at the end of June 2021 on the University portal at the following link: www.unito.it – Internazionalità – Studenti e ospiti internazionali – Borse per studenti internazionali.

ART. 7 - Acceptance

Each assignee will be notified of the award of the scholarships via e-mail.

In order to accept the scholarship assignees shall:

- Send an e-mail to internationalstudents@unito.it within 10 days from the award of the scholarship. Failure to comply will result in exclusion from the competition,
- Confirm that they do not fall within any of the conditions of incompatibility laid down in article 2 of this Call.
-

N.B. The scholarship will be awarded only if the assignee is admitted to the Postgraduate Degree program and completes the enrollment procedure by 15 November 2021.

ART. 8 - Method of payment of the scholarship and maintenance of requirements

The scholarship will be paid in four instalments (two instalments per year), on the basis of the following criteria and schedule.

The scholarships will be paid through bank transfer to a bank account or prepaid card with an Italian IBAN in the name or joint name of the beneficiary student.

UNIVERSITÀ DEGLI STUDI DI TORINO

PLEASE NOTE In case of failure in meeting the merit requirements, required for the allocation of the 2nd instalment of the 2nd year, the assignee will lose their scholarship and the 2nd instalment of the 2nd year will not be paid.	

Applicants may withdraw by sending an e-mail to internationalstudents@unito.it.

In case of withdrawals received by **2021 October 31st** scholarships will be allocated to the next suitable candidates in the ranking list.

UNIVERSITÀ DEGLI STUDI DI TORINO

ART. 9 – Competent office and relevant regulations

The office in charge of this announcement is “Sezione Mobilità e Didattica Internazionale” of “Direzione Attività Istituzionali, Programmazione, Qualità e Valutazione” at the University of Turin. For any further information, please contact internationalstudents@unito.it.

This Call is available on the University portal: en.unito.it – Studying at Unito – Scholarships for international students and it is also published on the “Albo online d’Ateneo” (University on-line Registry). The Administration reserves the right to verify the truth of the information provided. Without prejudice to the penal sanctions laid down in article 76 of Italian Decree of the President of the Republic no. 445/2000, in the event of fraudulent information being discovered as a result of such verification, the applicant will forfeit the right to the scholarship.

The present Call is translated into English for publicity purposes only. Personal data will be collected in compliance with the European and Italian data protection legislation. Detailed information available in the Attachment I – Privacy Notice For enforcing the Call, resolving any dispute and for all legal purposes only the Italian version is valid.

UNIVERSITÀ DEGLI STUDI DI TORINO

Attachment I – Privacy Notice

Statement on how student personal data is processed

General statement on processing students' personal data in accordance with the General Data Protection Regulation - EU 679/2016 and Board Meeting of 27 April 2016.

In accordance with Art. 13 of the EU Regulation 2016/679 (GDPR), the following information is available in order to increase applicants' awareness of the characteristics and methods of processing their data:

a) Identity and contact data

The data processing "Owner" is the Università degli Studi di Torino (University), with head office in Via Verdi 8 – 10124 Torino: certified email (Pec): ateneo@pec.unito.it - email: rettore@unito.it: legal representative: The Dean (pro tem).

b) Data Protection Officer contact data (DPO)

The University Data Protection Officer can be contacted at: rpd@unito.it.

c) Processing purposes and legal basis

Data is processed in complete respect of the law, fairness, transparency, and within the purpose and storage limitation, minimisation, accuracy, integrity, confidentiality and responsibility as per Art 5 of GDPR.

As process Owner, the University will process the data you have provided concerning yourself or your family under Art. 6 lett. e) of GDPR "processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller". In particular, data will be collected and processed, either on paper or digitally, for university purposes including:

- 1) initiatives and orientation activities;
- 2) admission tests for degree courses (where necessary);
- 3) lesson, labs and seminars;
- 4) student requirements from enrolment to graduation, communication, storing and archiving all relevant documentation;
- 5) tutoring initiatives;
- 6) statistics, historic and scientific research surveys (both pooled and anonymous);
- 7) support for students needing extra help;
- 8) support for disabled students and those with learning difficulties;
- 9) University admin, focus and research news about seminars, events and conferences;
- 10) * application of student contribution;
- 11) * benefits, grants and scholarships and other services concerning the right to study at university;

* In accordance with Art.14 of GDPR, the University will apply benefits to the student contribution by using the ISEEU value, details of immediate family members, as well as all information provided by the S.V. in the DSU, as it is pertinent and not excessive for this aim, directly from the INPS data base and applying D.P.C.M. 5 December 2013, No.159.

UNIVERSITÀ DEGLI STUDI DI TORINO

Under Arts. 9 and 10 of GDPR, certain categories of personal data that reveal racial or ethnic origin, political opinions, religious beliefs and philosophies and trade union membership can be collected and processed in certain situations as well as genetic data, biometric data in order to unequivocally identify a physical person, data concerning health or sex life or orientation and personal data concerning criminal records or security measures.

d) Recipients and possible recipient categories of personal data

Data processed for the purposes mentioned above will be shared with or made available to the teaching staff, admin staff or those assigned to the relevant University offices as references for the protection of data and/or system administrators and/or authorised to process, will receive relevant training from the Owner.

The University can also share personal data it owns with other public bodies should they process the same data for their own official purposes as well as to all those public bodies who are obliged to receive it in accordance with EU norms, law and regulations and insurance companies in cases of injury.

The management and storage of personal data that the University collects is kept on servers on University premises as well as contract suppliers' servers that provide services necessary for managing technical-administrative aspects where they could come across users' personal data through routine work. These suppliers are called "Processing officers" as in Art. 28 of GDPR.

The data can be shared with the following categories of recipients:

- 1) Ministry of University and Research
- 2) National Registry of students and graduates;
- 3) Ministry of Foreign Affairs, Embassies, Prefectures, Police headquarters, as in recognition of their status;
- 4) Public Prosecutor, Legal Council of State for managing disputes and disciplinary procedures;
- 5) Certifying administrations, to control alternative declarations under D.P.R. No.445/200;
- 6) Other Italian and foreign universities, during transfer to and from other universities;
- 7) Foreign universities for student mobility programmes;
- 8) Public and private bodies that manage payment of contributions for research and/or scholarships or that promote studies and research, projects for university development;
- 9) Regional body for the Right to University Study (Piedmont) that manages the services for the right to study (scholarships, accommodation, canteen);
- 10) Intesa Sanpaolo – is the University's chosen bank that manages procedures of receiving fees, university contributions and payment of scholarships;
- 11) Consorzio Interuniversitario per il Calcolo Automatico – CINECA, for application procedures management and maintenance for student advancement;
- 12) Other private, external resources for support in managing application tests and exams as in previous point;
- 13) Consorzio Interuniversitario Alma Laurea, for surveys into graduate profiles and work status;
- 14) Insurance companies for injury claims, civil liabilities;
- 15) External public or private organisations for work, cultural, recreational and sports purposes;
- 16) Specific health organisations for courses and study that require access to health centres and hospitals;
- 17) CIMEA - Information Centre on Academic Mobility and Equivalence for the evaluation of foreign titles;

UNIVERSITÀ DEGLI STUDI DI TORINO

18) Dream Group OÜ – for the application procedure of students' holding a foreign title.

e) Transferring data to a third country

Once collected, the data could be transferred to a non-EU country (Third Country), as part of the University's obligations and interests. The Owner guarantees that the non-EU transfer will only be towards third countries that the European Commission (Art.45 GDPR) has deliberated as adequate or towards third countries that provide a guarantee recognised as adequate as in Art.46 del GDPR. (For example, adequate measures of guarantees have been adopted for Google services in the Educational sector; see Google's Privacy and Security section for more information which is available on the University website. Such services imply transferring personal data to a non-EU country, eg Google's "in cloud").

f) Data storage duration

Personal data concerning university records (eg name, date of birth, etc, qualifications, mid-degree course exam assessment, final exam, rankings, reports etc) will be stored without limits in order to comply with requests for individual certificates and requests for checks and as part of University obligations to archive this information in accordance with current law.

Contact information (telephone, personal email) are stored for a period necessary to fulfil the purposes for which it was collected and later will no longer be used by the University.

g) Data rights

Users have the following rights under Arts.15, 16, 17, 18, and 21 of GDPR:

1. rights of access to personal data and all the information in Art.15;
2. right to cancel incorrect or incomplete personal data (Art.16)
3. right to cancel ("right to be forgotten", Art.17) personal data with the exception of those contents which the University needs to keep, see F) or the University has a legitimate interest in keeping it for purposes of public interest;
4. right to processing limitations (Art.18) ie the right to obtain processing limitation from the processing owner when one of the issues in Art.18 occurs, except concerning the need and obligation to process the data in order to provide the services on offer;
5. right to data portability (right can only be applied digitally), (Art. 20);
6. right to oppose processing of personal data that concerns students (Art. 21) including profiling.

We should point out that the right to oppose cannot be taken into consideration where the University is legally obliged to process the data or it is in the public interest or related to its status as public authority.

Please write to the address below for more information: direzione.programmazionevalutazione@unito.it

UNIVERSITÀ DEGLI STUDI DI TORINO

h) Complaints

Should the University not comply with the users' demands under Art.77 of GDPR, it is possible to lodge a complaint to the Controlling Authority (personal data Watchdog protection via email: garante@gpdp.it (www.garanteprivacy.it) or report the University under Art.78 del GDPR.

j) Providing data

Users are obliged to provide their data. Failure to do so will prevent the user from completing the procedure or accessing the service.

k) Different purposes for data processing

Should the Owner intend to process the data for purposes different to why it had been originally collected, they should provide adequate information concerning the different purposes and any other pertinent information.

l) Profiling

The owner does not use automated profiling processes.
